

## Information Sheet For MSB Holdings

Here is pertinent information you will need to pay rent, deal with maintenance issues, and have answered other questions. In addition, feel free to email or call me with questions regarding this change. I also maintain a website which provides a lot of additional information. **Many of your questions can be answered at this site.** You can also pay rent through paypal or email maintenance requests at:

[www.msbholdings.com](http://www.msbholdings.com)

Maintenance requests are best sent via email because then I'll have a written list of what needs to be done. Once I receive the request, I will forward it to the maintenance person assigned to take care of it. If you don't have email you can call the office. I don't have regular office hours but I check the messages everyday. If you have a maintenance emergency, call my cell and get the emergency number from the outgoing message. There are more instructions for this type of situation on the website.
