Link with Account & Routing

Enter your account information to initiate the micro deposits and verification process.

Routing Number

Account Number

Confirm Account Number

Checking

Savings

Once you have completed entering in the information, you will receive two small deposits into your checking or savings account ranging from \$0.01 - \$0.09. These deposits will take approx. 1 business day to land in your account. Once you have received the deposits, you will return to the app to confirm the amounts. Thereafter, you will be able to submit payment using the account you connected.
